- D. (Cunningham)
- Chief Cunningham stated that legal counsel is available for any questions. Attorney Bill Whittington joined the meeting via phone. Chief Cunningham stated that the public hearing is the next step in the process for consolidation. Staff has contacted a vendor to do the mailings, they will need 20 days to process and mail the notices. After the notices are mailed then we need to wait 30 days which puts us into May. I am recommending to do the public hearing at the next regular scheduled meeting on May 20th. Legal counsel is available on that date and time. Golden Valley Fire has a meeting on May 22nd that the public hearing can be scheduled. This way the two hearings are close together. We have decided that it would be best to hold the public hearings separate. Chairman Knowles asked legal counsel if separate hearings are okay. Whittington replied, yes. Chairman Knowles asked the board if they have any comments or issues with the May 20th date. Clerk Carr and Director Fox replied they are in agreement with the date.

However, individual Board members may be permitted to respond to criticism directed to them. Otherwise, the Board may direct that staff review the matter or that the matter be placed on a future agenda. The Fire District Board cannot discuss or take legal action on any issue raised during the Call to the Public that is not on the Agenda due to restrictions of the Open Meeting Law.*
